Judges and Ruth (Teach the Text Commentary Series)

NIV, Beautiful Word Bible Journal, Romans, Paperback, Comfort Print

A Choral Extended Work for SSAATB with SSATB Soli composed by Giacomo Carissimi.

Judges, Ruth

Intuitive Eating, 2nd Edition

The Woman's Study Bible has special notes and features appealing to women's interests, highlighting women throughout Scripture, and capturing the unique ways Christ cared for women, this Bible truly speaks to a woman's heart."

Defending Inerrancy

Locked In

Judges and Saviors, Deborah and Samson

The Story of Jephthah's vow, recorded in Judges, chapter 11, has attracted the attention of generations of Bible scholars and has gripped the imagination of creative artists from ancient to modern times. The story has served as an inspiration for the composition of dramas, novels, songs, cantatas, oratorios, and operas. The appeal of the story has been attributed to the emotional qualities and the dramatic possibilities that it holds. According to the biblical account, Jephthah, newly elected as leader over Israel, vows to the Lord that should he be granted victory over the Ammonites he will sacrifice to Him the first one who greets him upon his return from battle. The first to greet him following his defeat of the Ammonites is his daughter, who is then sacrificed.

Jephthah and His Vow challenges the widespread opinion that Jephthah literally put his daughter to death. It maintains that the almost unanimous support this opinion has received in recent years is not justified and the alternate conclusion that the daughter was not put to death but had to remain a virgin, consecrated to God, for the remainder of her life has equal, if not more validity. Marcus demonstrates that the Hebrew text of the story is often ambiguous and is open to different interpretations. He analyzes the history of the exegesis, the original intent of the vow, as well as, biblical and non-biblical literary parallels. Marcus concludes that the evidence is such that both conclusions for the fate of Jephthah's daughter are
equally possible, and that this very ambivalence was in fact the original intention of the narrator. Dr. David Marcus was born and educated in Dublin, Ireland. He did his undergraduate work at Trinity College, Dublin, and at Cambridge University in England. He did graduate work in Philadelphia and New York, and he received his Ph.D. from Columbia University in the Department of Middle East Languages and Cultures. Dr Marcus is the author of numerous scholarly articles and two language manuals, one on the Akkadian language, and the other on the language of the Talmud. He has taught for many years at Columbia University and currently is teaching at the Jewish Theological Seminary in New York.

The David Story: A Translation with Commentary of 1 and 2 Samuel

The book of Judges describes a time in the life of the nation of Israel between the prophetic leadership of Moses and Joshua and the establishment of the monarchy. During that time, “everyone did what was right in his own eyes” (Judges 17:6). The most shocking feature in the book of Judges, however, is not the horror of Israel’s sin, but the glory of salvation from that sin. The darkness of Israel’s sin is overcome only by the wonder of God’s salvation worked through a series of memorable judges, who ultimately point us to Jesus Christ. Part of the Knowing the Bible series.

The KJV, Open Bible, eBook

According to the authors, the doctrine of inerrancy has been standard, accepted teaching for more than 1,000 years. In 1978, the famous “Chicago Statement” on inerrancy was adopted by the Evangelical Theological Society, and for decades it has been the accepted conservative evangelical doctrine of the Scriptures. However, in recent years, some prominent evangelical authors have challenged this statement in their writings. Now eminent apologist and bestselling author Norman L. Geisler, who was one of the original drafters of the “Chicago Statement,” and his coauthor, William C. Roach, present a defense of the traditional understanding of inerrancy for a new generation of Christians who are being assaulted with challenges to the nature of God, truth, and language. Pastors, students, and armchair theologians will appreciate this clear, reasoned response to the current crisis.

Judges, Ruth: New European Christadelphian Commentary

Every chapter of the Bible summarised in 140 characters or less. These summaries originally appeared as the @biblesummary project on Twitter. For three-and-a-half years, Chris Juby posted one tweet per chapter, one chapter per day to 30,000 followers, finishing the project in November 2013. This edition is the full archive of all 1,189 summaries.

Feats of Courage

God’s Foundations for Life Genesis plays a foundational role in providing a clear understanding of society, marriage, personal relationships, evil, and spiritual life. Bright hope and insights into daily living come from Genesis. For a strong godly life, build on God’s foundations! The Bible Teaching Commentary series is designed for teachers! - Extensive summaries for good learning - Committed to inerrancy of God’s Word - Designed with the teacher in mind - Includes many diagrams and graphics - Thoughtful applications to daily life

Texts of Terror

In this second instalment of short stories based on biblical events, we look into some of the lesser known heroes of the Bible. People who are mentioned in passing, who take up only a page or two in the scriptures, but nevertheless play a role in teaching us lessons, need to be acknowledged. Their contribution may pale in comparison to some of the better known heroes like David and Moses, but its all of those people who shaped what we are today. In particular this book aims at demonstrating the courage it took to go against the flow during these times. Again using the context of biblical time, this is a follow-up to the first book Facing the Elements, that saw the scriptures not only as stories but as real events. The book is separated into four themes: men, women, small groups and large groups or clans. In the authors usual habit, the twelve stories are followed by a bonus which makes for the bakers dozen. This time a song attributable to Nehemiah is the subject.

Joshua, Judges, Ruth

This reference tool shows how archaeological discoveries in Bible lands have helped to confirm the accuracy of Scripture and give understanding to it.

Grief/Lament
The NIV Application Commentary helps you communicate and apply biblical text effectively in today’s context. The books of Judges and Ruth have relevance for our lives today. Judges, because it reveals a God who employs very human deliverers but refuses to gloss over their sins and their consequences. And Ruth, because it demonstrates the far-reaching impact of a righteous character. K. Lawson Younger Jr. shares literary perspectives on the books of Judges and Ruth that reveal ageless truths for our contemporary lives. To bring the ancient messages of the Bible into today’s context, each passage is treated in three sections: Original Meaning. Concise exegesis to help readers understand the original meaning of the biblical text in its historical, literary, and cultural context. Bridging Contexts. A bridge between the world of the Bible and the world of today, built by discerning what is timeless in the timely pages of the Bible. Contemporary Significance. This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages. The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved. This unique, award-winning commentary is the ideal resource for today’s preachers, teachers, and serious students of the Bible, giving them the tools, ideas, and insights, they need to communicate God’s Word with the same powerful impact it had when it was first written.

The Onomasticon

Most Christians don’t quite know what to do with the first half of the Bible. Some are fascinated by the historical sweep of the Old Testament. Others are blessed by its poetry. Still others focus on its prophecies. But what are the heart and soul of the Old Testament? In From Creation to the Cross, Al Baylis is a guide who shares with us his love for, and profound understanding of, the Old Testament. He walks us through the Old Testament, pointing out along the way perspectives and insights that leave us with a new, personal understanding of these thirty-nine books -- and more importantly, of the God of the Old Testament, who lovingly prepared the way before sending his Son. As Bruce Wilkinson puts it in the Foreword, “I could almost picture (Baylis) as a seasoned rabbi surrounded by a huddle of eager listeners. He doesn’t simply teach the Old Testament; it’s as if he personally reminisces through it.” From Creation to the Cross is one of those rare books that speaks to a wide range of readers, from high school students to homemakers to college professors. This revised and expanded edition of On the Way to Jesus makes this unique and highly readable approach to the first half of the Bible available once again. It is ideally suited for use in Bible study groups.

What is Reformed Theology?

What Do the Five Points of Calvinism Really Mean? Many have heard of Reformed theology, but may not be certain what it is. Some references to it have been positive, some negative. It appears to be important, and they’d like to know more about it. But they want a full, understandable explanation, not a simplistic one. What Is Reformed Theology? is an accessible introduction to beliefs that have been immensely influential in the evangelical church. In this insightful book, R. C. Sproul walks readers through the foundations of the Reformed doctrine and explains how the Reformed belief is centered on God, based on God’s Word, and committed to faith in Jesus Christ. Sproul explains the five points of Reformed theology and makes plain the reality of God’s amazing grace.

Bible Study Questions on the Book of Proverbs

Spirit Filled Man

Examines the varied, enormously sophisticated contents of the Bible and sees how certain Western authors were inspired by them.

Zondervan Illustrated Bible Backgrounds Commentary: Daniel

Verse by verse exposition of the books of Judges and Ruth, covering the work of Samson, Gideon, Barak, Jephthah, Boaz. Part of the New European Christadelphian Commentary series by Duncan Heaster.

From Creation to the Cross

The Bible is a collection of 66 books written by many writers over a vast time period, and yet it’s the unified Word of God. The Open Bible offers clean and easy navigation through Scripture’s interconnected themes and teachings, with a time-tested complete reference system trusted by millions. Plus, The Open Bible gives you even more access into the pages of the Word with book introductions and outlines to provide context and themes from beginning to end. Features include: Easy-to-navigate topical index with 50,000 entries displaying the connections between 8,000 names, places, concepts, events, and doctrines Interactive book introductions and outlines provide historical context, themes, and verse relationships within Scripture Chain-reference doctrinal notes reveal the interconnected big picture of the entire Bible Thomas Nelson’s complete
Hard Sayings of the Bible

In this book, Phyllis Trible examines four Old Testament narratives of suffering in ancient Israel: Hagar, Tamar, an unnamed concubine and the daughter of Jephthah. These stories are for Trible the "substance of life", which may inspire new beginnings and by interpreting these stories of outrage and suffering on behalf of their female victims, the author recalls a past that is all to embodied in the present, and prays that these terrors shall not come to pass again. "Texts of Terror" is perhaps Trible's most readable book, that brings biblical scholarship within the grasp of the non-specialist. These "sad stories" about women in the Old Testament prompt much refelction on contemporary misuse of the Bible, and therefore have considerable relevance today.

Jephthah, An Oratorio

We've all been there-angry with ourselves for overeating, for our lack of willpower, for failing at yet another diet that was supposed to be the last one. But the problem is not you, it's that dieting, with its emphasis on rules and regulations, has stopped you from listening to your body. Written by two prominent nutritionists, Intuitive Eating focuses on nurturing your body rather than starving it, encourages natural weight loss, and helps you find the weight you were meant to be. Learn: *How to reject diet mentality forever *How our three Eating Personalities define our eating difficulties *How to feel your feelings without using food *How to honor hunger and feel fullness *How to follow the ten principles of Intuitive Eating, step-by-step *How to achieve a new and safe relationship with food and, ultimately, your body With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

Life-study of Romans

This workbook on the book of Proverbs was designed for use in Bible classes, family study, or personal study. The class book material is suitable for teens and adults. Questions in the lessons contain minimal human commentary, but instead guide students to study to understand Scripture. Enough questions are included for teachers to assign as many questions as they want for each study session. The course assignments may proceed at whatever speed and depth will best accomplish the needs of the students.

The Biblical Illustrator - Philemon

The translation of Eusebius' Onomasticon, prepared for the first time in English by G.S.P. Freeman-Grenville, follows the edition of Erich Klostermann. It includes also the Latin rendering (or expanded version) of the Onomasticon, made by Jerome sixty years later, known as the Liber Locorum. By comparing the two works we can see how Christian Palestine developed between the early 320s and the late 380s. Also included is an annotated index, assembled by Rupert L. Chapman, and two excurses dealing with the precise ways in which Eusebius defines locations by careful use of Greek prepositions, and also how distances were reckoned in the work.

Life-study of Proverbs, Life-study of Ecclesiastes, and Life-study of Song of Songs

Life-Study of Joshua, Judges and Ruth

The Catholic Bible includes the Old Testament and New Testament. This Douay-Rheims Bible is authorized by the Catholic Church and is perfectly formatted for your eReader device.

Jephthah and His Vow

Woman's Study Bible-NIV-Signature

This is a book about a book: it is an in-depth yet reader friendly analysis of the Book of Judges, one of the most dramatic books of the Bible. Against the commonly-held view that this remarkable work is no more than a collection of hero tales stemming from Israel’s earliest days in its land—its “Heroic Age,” so to speak—this study makes the case that the Book of Judges is a unified composition with a single focused message: that it is the values held by a people and not its politics that determine its fate. Further, Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that rocks their
society, both inflicted from without and generated from within. And not least, that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality. The larger-than-life heroes and heroines—Ehud and Jael, Deborah and Gideon, Jephthah and Samson—who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world.

The Catholic Bible

John J. Collins’ Introduction to the Hebrew Bible is one of the most reliable and widely adopted critical textbooks at undergraduate and graduate levels alike, and for good reason. Enriched by decades of classroom teaching, it is aimed explicitly at motivated students regardless of their previous exposure to the Bible or faith commitments. Collins proceeds through the canon of the Old Testament and the Apocrypha, judiciously presenting the current state of historical, archaeological, and literary understanding of the biblical text, and engaging the student in questions of significance and interpretation for the contemporary world. The second edition has been revised where more recent scholarship indicates it, and is now presented in a refreshing new format.

The Cambridge Companion to the Bible and Literature

Replaces Hard Sayings of the Old Testament, which received a 1990 Christianity Today Critics’ Choice Award! Are you grappling with a difficult verse in the Bible? And are you looking for a short, easy-to-read answer that really makes sense without explaining away the verse? Hard Sayings of the Bible is the handy reference book you need. Here you will find explanations of over 500 of the most troubling verses to test the minds and hearts of Bible readers. Four seasoned scholars, all with a notable gift for communicating with people in the pew, take you behind the scenes to find succinct solutions to a wide variety of Bible difficulties, ranging from discrepancies about numbers to questions about God’s justice. Historical, cultural and linguistic backgrounds shed light on these passages and not only help explain what they meant in biblical times but also show how they are relevant today. Now carefully cross-referenced with over 100 new verses explained, as well as a dozen new introductory articles on chronology, miracles, archaeology, prophecy and more, Hard Sayings of the Bible offers the combined resources of five previous volumes that have over 250,000 copies in print. If you find yourself tied up in scriptural knots, here's the book that will help you cut through them.

The People’s Constitution

"A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter’s brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life’s course with a flawed moral vision. The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

Life-Study of Acts

This series brings to life the world of the Old Testament through informative entries and full-color photos and graphics. Here readers find the premier commentary set for connecting with the historical and cultural context of the Old Testament.

The Bible Teaching Commentary on Genesis

Timothy Keller’s Judges For You walks you through the book of Judges, showing how the flawless God is at work in the most flawed situations and the most failing people. Combining a close attention to the detail of the text with Timothy Keller’s trademark gift for clear explanation and compelling insights, this resource will both engage your mind and stir your heart. "Judges has only one hero—God. And as we read this as an account of how he works in history, it comes alive. This book is not an easy read. But living in the times we do, it is an essential one." - Timothy Keller Judges for You is a uniquely flexible resource. It can simply be read as a book; used as a daily devotional, complete with reflection questions; or utilized by anyone who has a teaching ministry, to help small-group leaders understand and apply the text, and to give preachers helpful ways of connecting timeless Bible truths to today’s world. Judges for You is designed to work alongside The flawed and the flawless, Timothy Keller’s Bible study resource for small groups and individuals.

Judges

"Pfaff, let there be no doubt, is a reformer Nonetheless, he believes that the standard story--popularized in
particular by Michelle Alexander, in her influential book, The New Jim Crow—is false. We are desperately in
need of reform, he insists, but we must reform the right things, and address the true problem.”--Adam
Gopnik, The New Yorker A groundbreaking examination of our system of imprisonment, revealing the true
causes of mass incarceration as well as the best path to reform In the 1970s, the United States had an
incarceration rate comparable to those of other liberal democracies—and that rate had held steady for over
100 years. Yet today, though the US is home to only about 5 percent of the world’s population, we hold
nearly one quarter of its prisoners. Mass incarceration is now widely considered one of the biggest social and
political crises of our age. How did we get to this point? Locked In is a revelatory investigation into the root
causes of mass incarceration by one of the most exciting scholars in the country. Having spent fifteen years
studying the data on imprisonment, John Pfaff takes apart the reigning consensus created by Michelle
Alexander and other reformers, revealing that the most widely accepted explanations—the failed War on
Drugs, draconian sentencing laws, an increasing reliance on private prisons—tell us much less than we think.
Pfaff urges us to look at other factors instead, including a major shift in prosecutor behavior that occurred in
the mid-1990s, when prosecutors began bringing felony charges against arrestees about twice as often as
they had before. He describes a fractured criminal justice system, in which counties don’t pay for the people
they send to state prisons, and in which white suburbs set law and order agendas for more-heavily minority
cities. And he shows that if we hope to significantly reduce prison populations, we have no choice but to
think differently about how to deal with people convicted of violent crimes—and why some people are violent
in the first place. An authoritative, clear-eyed account of a national catastrophe, Locked In transforms our
understanding of what ails the American system of punishment and ultimately forces us to reconsider how
we can build a more equitable and humane society.

Bible Summary

In the Lord’s recovery during the past five hundred years the church’s knowledge of the Lord and His truth
has been continually progressing. This monumental and classical work by Brother Witness Lee builds upon
and is a further development of all that the Lord has revealed to His church in the past centuries. It is filled
with the revelation concerning the processed Triune God, the living Christ, the life-giving Spirit, the
experience of life, and the definition and practice of the church. In this set Brother Lee has kept three basic
principles that should rule and govern every believer in their interpretation, development, and expounding of
the truths contained in the Scriptures. The first principle is that of the Triune God dispensing Himself into His
chosen and redeemed people; the second principle is that we should interpret, develop, and expound the
truths contained in the Bible with Christ for the church; and the third governing principle is Christ, the Spirit,
life, and the church. No other study or exposition of the New Testament conveys the life nourishment or
ushers the reader into the divine revelation of God’s holy Word according to His New Testament economy as
this one does.

The Practical Pocket Commentary

Archaeology and Bible History

The story of how the American people have taken an imperfect constitution—the product of compromises and
an artifact of its time—and made it more democratic Who wrote the Constitution? That’s obvious, we think:
fifty-five men in Philadelphia in 1787. But much of the Constitution was actually written later, in a series of
twenty-seven amendments enacted over the course of two centuries. The real history of the Constitution is
the astonishing story of how subsequent generations have reshaped our founding document amid some of
the most colorful, contested, and controversial battles in American political life. It’s a story of how We the
People have improved our government’s structure and expanded the scope of our democracy during eras of
transformational social change. The People’s Constitution is an elegant, sobering, and masterly account of
the evolution of American democracy. From the addition of the Bill of Rights, a promise made to save the
Constitution from near certain defeat, to the post-Civil War battle over the Fourteenth Amendment, from the
rise and fall of the "noble experiment" of Prohibition to the defeat and resurgence of an Equal Rights
Amendment a century in the making, The People’s Constitution is the first book of its kind: a vital guide to
America’s national charter, and an alternative history of the continuing struggle to realize the Framers’
promise of a more perfect union.
