Dean Drop, Book 4 of the Incognito Series

Barbara Sjoholm arrived in London in the winter of 1970 at the age of twenty. Like countless young Americans in that tumultuous time, she wanted to escape a country at war and set out for Europe, where she spent the next three years living in Barcelona and London, hitchhiking around Spain, and studying at the University of Granada. Set on becoming a writer, she read everything from Colette to Borges, learned Norwegian and Spanish, and explored her sexual identity. With the ghosts of a painful childhood at her heels, she looked for a writing voice and subject matter that would reflect her emerging political and artistic vision. Incognito Street is an evocative look at an adventurous, curious young expatriate and the forces that would shape her eventual career as a writer, translator, and publisher. Sjoholm captures the flavor of a time when the feminist and lesbian movements were just beginning, seen from the perspective of a girl searching for a voice and a self to call her own.

Incognito Dwellings Book I In this book Martien Brinkman explores the Jesus incognito as found in Western film, literature, and the visual arts since 1960. His interest here is focused primarily on indirect references to the Jesus figure. To his surprise, he found an abundance of allusions to Jesus in key figures in modern art. This confirmed his view that film, literature, and the visual arts make a substantial contribution, even in secular Western culture, to continuing reflection on Jesus’ significance. Brinkman finds important characteristics of a hidden Christ in films by Gabriel Axel, Ingmar Bergman, Krzysztof Kieslowski, and Lars von Trier, novels by Peter De Vries, J.M. Coetzee, and Arnon Grunberg, poems by Les Murray and Czeslaw Milosz, and paintings by Andy Warhol, Harald Duve, and Frans Franciscus. He defines a hidden Christ as a fictional human individual who can be seen as a new embodiment of the meaning that can be attributed in the present to the biblical figure of Jesus. The hidden Christ is therefore a contemporized Jesus figure. This book will be of interest for everyone who shares Brinkman’s quest for this Jesus incognito.

Confederate Incognito If the conscious mind—the part you consider to be you—is just the tip of the iceberg, what is the rest doing? In this sparkling and provocative new book, the renowned neuroscientist David Eagleman navigates the depths of the subconscious brain to illuminate surprising mysteries: Why can your foot move halfway to the brake pedal before you become consciously aware of danger ahead? Why do you hear your name being mentioned in a conversation that you didn’t think you were listening to? What do Ulysses and the credit crunch have in common? Why did Thomas Edison electrocute an elephant in 1916? Why are people whose names begin with J more likely to marry other people whose names begin with J? Why is it so difficult to keep a secret? And how is it possible to get angry at yourself—who, exactly, is mad at whom? Taking in brain damage, plane spotting, dating, drugs, beauty, infidelity, synesthesia, criminal law, artificial intelligence, and visual illusions, Incognito is a thrilling subsurface exploration of the mind and all its contradictions.

Incognito Preferring anonymity, Murdoch John McSween wrote over 80 letters under the pseudonym “Long Grabs” to the Fayetteville Observer (North Carolina), serving as their unofficial war correspondent. For the first two full years of the war, 1862-1863, he was a sometimes drill master at Camp Mangum, in Raleigh, and a wanderer among the regiments in North Carolina and Virginia. What he wrote was varied—the fighting in eastern North Carolina and at Fredericksburg and Petersburg in Virginia, the conditions of the soldiers, the hardships of the civilians, the history of places he visited, and biographical sketches such as that of Jefferson Davis. In 1863, based on certain promises made by Colonel Matt Ransom, McSween joined the 35th Regiment. A bitter dispute soon developed over those promises with the result that McSween was court-martialed and sentenced to twelve months at hard labor. Released, he joins the 26th Regiment and is twice wounded at the Battle of Petersburg. After the war, he returns to Fayetteville where he edits and publishes The Eagle newspaper.

Incognito Loyal operative Dez Luttino has graduated from the recruits of the Network, top of his classes and single-mindedly driven to succeed in his duty to his country. What he hadn’t counted on was mentoring his first operative-Nova Granger, once a head-strong, albeit gorgeous, hunting machine who didn’t seem to want to follow any rules except her own. As her team leader years ago, Dez had helped Nova tame her reckless nature and develop a team player attitude. She’s become one of the organization’s most valuable operatives. Little does Nova know that sexy Dez has been instructed to prepare her for an undercover mission that involves felling a ruthless criminal. While Dez has been instructed by his superiors to get close to Nova and encourage her to trust him implicitly, he soon realizes that he’s gone beyond duty and done the unthinkable by falling in love.
Prince Incognito Imagine that there are American MIAs who chose to remain missing after the Vietnam War. Imagine that there is a family in which four generations of strong, alluring women have shared a mysterious connection to an outlandish figure from Japanese folklore. Imagine just those things (don’t even try to imagine the love story) and you’ll have a foretaste of Tom Robbins’s eighth and perhaps most beautifully crafted novel—a work as timeless as myth yet as topical as the latest international threat. On one level, this is a book about identity, masquerade and disguise—about “the false mustache of the world”—but neither the mists of Laos nor the smog of Bangkok, neither the overcast of Seattle nor the fog of San Francisco, neither the muck of the intelligence community nor the mummeries of the circus can obscure the linguistic phosphor that illuminates the pages of Villa Incognito. A female fan once wrote to Tom Robbins: “Your books make me think, they make me laugh, they make me horny and they make me aware of the wonder of everything in life.” Villa Incognito will surely arouse a similar response in many readers, for in its lusty, amusing way it both celebrates existence and challenges our ideas about it. To say much more about a novel as fresh and surprising as Villa Incognito would run the risk of diluting the sheer fun of reading it. As his dedicated readers worldwide now know full well, it’s best to climb aboard the Tom Robbins tilt-a-whirl, kiss preconceptions and sacred cows goodbye and simply enjoy the ride.

A Prince Incognito An elegant literary mystery set during the Gilded Age. New York City, 1911. Representing the widow of a Wall Street financier, lawyer William Dysart travels to a small Long Island town with a generous offer for Miss Sybil Curtis’s cottage and five acres of land. But when Sybil refuses to sell, the widow threatens to use her influence with the state to seize the property. Intrigued by Sybil’s defiance and afflicted by a growing affection for her, William develops a desire to help her that becomes an obsession he cannot define, one that tears away the facade of his life, and presents him with truths he’s unprepared to face.

Princess Incognito: Wrong Time to Fight Crime Roan Emory, Network operative, formerly Daniel Sands, was inducted against his will. Perry L’Engle, an FBI agent and the only woman he ever loved, has never been convinced that the car accident that took Daniel’s life was legitimate. Just before his disappearance 25 years earlier, Daniel had been approached for recruitment by a covert agency. Now the scenario that had seemed like the catalyst to tragedy is taking place again. Outside her son Danny’s office, Perry hears a familiar voice she’d overheard the day before Daniel disappeared, giving an identical recruiting pitch to her son. When she finds the man Roan Emory in Chicago, she has to face the fact that Daniel had willingly given up her, their love, and the child he’d never known she was carrying. In a horrifying twist of fate, Perry realizes the only one who can save their son is Roan Emory—the most dangerous man in the world.

The Prince Incognito “The entire town is disguised,” declared a French tourist of eighteenth-century Venice. And, indeed, maskers of all ranks—nobles, clergy, imposters, seducers, con men—could be found mixing at every level of Venetian society. Even a pious nun donned a mask and male attire for her liaison with the libertine Casanova. In Venice Incognito, James H. Johnson offers a spirited analysis of masking in this carnival-loving city. He draws on a wealth of material to explore the world view of maskers, both during and outside of carnival, and reconstructs their logic: covering the face in public was a uniquely Venetian response to one of the most rigid class hierarchies in European history. This vivid account goes beyond common views that masking was about forgetting the past and minding the muse of pleasure to offer fresh insight into the historical construction of identity.

Incognito Have you ever felt so completely lost and out of place you wondered if your life was really even yours? Well I have. I’ve lived most of my life feeling as though I were trapped in someone else’s, so when I found out that I was born a witch, it all started to fall into place. That is until I met the tall, dark and mysterious Elliot and realized that dating in the mortal world has got nothing on the complication, desire and mistrust that surrounds romance in the magical world. It doesn’t help that our families are mortal enemies either. Did Romeo and Juliet have to suffer plagued curses and time travel in their struggle? I think not. As tragic as their tale was, they were fully responsible for their fate, but not Athiya and Elliot. No, our story was completely out of our control.

Mind Games, Book 11 of the Incognito Series The private diary of a hidden princess living a double life in a boring town can never fall into the wrong hands. So, when Princess Sabrina of the House of Valence loses her top-secret journal in class, she has no choice but to return after school hours to get it back and avoid an epic disaster. But is the most rotten school in the world haunted? According to local legend, the Ghost Girl of Mayesbrook Manor stalks the creepy corridors at night. And outside, a pack of fierce stray dogs make sure nobody feels welcome. Luckily, loyal friends Charlie, Awful Agatha and Liam join Sabrina on her terrifying mission. But when they all get trapped after dark by a mysterious security guard, it takes all their courage and ingenuity to outsmart their scary pursuers. Will they make it out alive?

Beatrice Zinker, Upside Down Thinker, Book 2: Incognito Four actors play a combined 21 characters within INCIGNITO’s three interwoven stories. A pathologist steals the brain of Albert Einstein; a neuropsychologist embarks on her first romance with another woman; a seizure patient forgets everything but how much he loves his girlfriend. INCIGNITO braids these mysterious stories into one breathtaking whole that asks whether memory and identity are nothing but illusions.

Incognito Destiny has landed Punya Saran in the middle of a quest. A quest which belonged to Vaidehi but Punya must accompany her in the journey to prove his innocence. It all started with the construction of a scientific marvel and a mysterious murder. They are confronted with a theory that has changed the way humanity looked at the world. To unveil the message which has earth shattering ramifications, they have to decipher the symbols and secrets hidden
within historical monuments and ancient scriptures. They find themselves in a dilemma of deciding between mythology and logic. How do they do it? And then there are moments with Drishti, a girl who carried a burden in her heart. She was a broken soul who had forgotten to live. Punya had found himself in bringing her back to life. He tried hard, but he could not stop himself from loving her. It was an alliance of souls. But she is gone now. He is completely devastated. Will the memories weaken him further? What happens when an eye-opening thriller meets a heartfelt love story? Who is bestowed upon with the divine vision? Does the secret reveal itself? Do they understand the enigma of love? All we seek are right before our eyes, but choose to remain incognito.

Incognito

Incognito Mandrake King discovers a language being transmitted via text messages among teenagers. With the help of some of the teenagers he interacts with, he gains insight and knowledge and assists them with gaining access to the barter system the language pertains to. While the texting language morphs and sweeps the entire teenage world, simultaneously Native Americans resurrect their ancient language and mobilize their efforts to reclaim Manhattan Island.

Dance In Shadows, Book 9 of the Incognito Series

Incognito Street In book two of the delightfully energetic Beatrice Zinker series, Operation Upside is finally in full swing! But when Beatrice's overenthusiasm lands Mrs. Tamarack with a Strictest Certificate, the team has to hold off on any new missions to avoid suspicion. Lying low is not exactly Beatrice's strong suit, especially when she sees someone who desperately needs to be recognized. But when the certificate means for him falls into the wrong hands, Beatrice and Lenny must find a way to widen their circle once again to save Operation Upside, and themselves, from trouble.

Hard to Handle, Book 8 of the Incognito Series

Incognito The enhanced eBook of David Eagleman's INCOGNITO includes the full text of the book plus 8 videos* in which the author discusses key elements of the book and his research. Topics covered include: How much of the inner workings of the brain is beyond our conscious control; How reality can be so different inside different person's heads; Time perception; Synesthesia; Neuroscience and the legal system; What research is currently going on in Eagleman's lab; And what Drew Eagleman to studying how the brain works. If the conscious mind—the part you consider to be you—is just the tip of the iceberg, what is the rest doing? In this sparkling and provocative new book, renowned neuroscientist David Eagleman navigates the depths of the subconscious brain to illuminate surprising mysteries: Why can your foot move halfway to the brake pedal before you become consciously aware of danger ahead? Why do you hear your name being mentioned in a conversation that you didn't think you were listening to? What do Ulysses and the credit crunch have in common? Why did Thomas Edison electrocute an elephant in 1916? Why are people whose names begin with J more likely to marry other people whose names begin with J? Why is it so difficult to keep a secret? And how is it possible to get angry at yourself - who, exactly, is mad at whom? Taking in brain damage, plane spotting, dating, drugs, beauty, infidelity, synesthesia, criminal law, artificial intelligence and visual illusions, Incognito is a thrilling subsurface exploration of the mind and all its contradictions. Also available as:

incognito

Incognito When a terrifying new PE teacher, Mr Biggsstitt, insists he's going to prepare the students for school sports day, Sabrina and her friends are not really bothered. But a distracted Sabrina accidentally wins the running trial and Mr Biggsstitt is convinced that he has a star in the making. This is a real problem for a secret princess still trying to hide her identity. To make things worse, Mr Biggsstitt picks Sabrina and Liam for the elite team, but not her other friends, Charlie and Awful Agatha. Meanwhile, Uncle Ernie reveals a family tragedy that breaks her trust. Why does the secret reveal itself? Do they understand the enigma of love? All we seek are right before our eyes, but choose to remain incognito.

Confederate Incognito When Sabrina and Charlie accidently stop a crime outside an ice-cream parlour, it becomes the worst day ever for the undercover princess. Being a crime-stopper in a small town makes her the local hero, and Sabrina and Uncle Ernie have to come up with one ingenious scheme after another to protect their true identities. But then, the Man in Black with the Long, Deep Scar shows up, recognises Sabrina, and things take a darker turn. For Sabrina, it’s one lucky escape after another; until a mysterious policeman appears, and the princess incognito has to
make some tough decisions.

Incognito Anjali’s plain and staid life suddenly turns into a whirlpool when she befriends four very different individuals, leading distinct lifestyles. Slowly and steadily, they entrap Anjali into their lives. Anjali becomes the nucleus of their existence. She witnesses their lives from the ringside, and draws vicarious pleasure in their passionate love affairs. Then Anjali inadvertently becomes a mute witness to their plotting of four bizarre murders. Will Anjali be able to extricate herself from the tentacles of her four friends, or is the fabric of their relationship so intricately woven, that Anjali can only be drawn deeper into the sinister labyrinth? Incognito is a compelling psychological thriller; this hair-raising tale will keep you hooked from start to finish.

Pickle the Spy

Hypnotized, Book 10 of the Incognito Series

Incognito “Tall, handsome with steely blue eyes, Ian McGregor looked more like a leading man actor than a playwright in 1929 Hollywood. Ian is the golden boy scenarist for Universal Studios. The banter in Hollywood was that soon motion pictures would have sound, and Ian would be the writer everyone would demand to write their screenplays”.

Incognito After nearly 25 years, psychiatrist Jocelyn Dominica has determined the fate of every operative in the Network. When she’s diagnosed with a life-threatening illness, her superiors decide it’s time for her to choose a replacement and retire from service. After overhearing them discuss the options for her retirement, the mention of the death of her father more than two decades ago, and a traitor inside the Network or Oversight, Jocelyn realizes she’s no longer sure who to trust. Are her superiors trying to save her or end any possibility of threat she poses? A fall that could have stolen her life as well as her memories puts her in the hands of a man who tells her he’s her husband and he loves her but may be trying to kill her.

Incognito Ex For Frankie Strong, results mean more than sticking to the rules, until she runs heart-first into Evan Spears. US Marshal Evan Spears commands a federal task force of seasoned agents who track and capture dangerous fugitives around the world. When Evan is forced to take on DEA Agent Frankie Strong, a free spirit with unorthodox methods, she sees nothing but trouble for the team, the mission, and her future. Frankie just wants to locate the murder suspect and prove her worth, but Evan seems determined to block her. To catch the killer they must learn to work together, but their attraction blurs the lines between professional and personal.

Inspector Incognito and the Kansas City Kid Incognito Dwellings Book I is a book of love poems designed to nurture more love in this world. It expresses love scenes and situations to radiate and exude romance. Love is all inclusive and universal! The explicit intent of this book was to mend, heal, nurture and foster more loving relationships. Aren’t you tired of being torn down? It’s time to uplift each other!

Under the Spell, Book 5 of the Incognito Series Dr. Sherry Mansfield is a talented hypnotist who possesses the ability to use the power of suggestion in an eerie, supernatural way. When she sends the Network a message through a suicide bomber that she wants to escape her abusive husband-the leader of a small terrorist group-they offer her a deal: They’ll rescue her from her husband if she’ll use her special skill for them in the pursuit of justice. The Network also fears that a rival terrorist faction will target Dr. Mansfield, wanting to use her unusual gift for evil the same way her husband’s group does. Network operatives—and former secret lovers-Noah Harlow and Rhiannon Murray must rescue Dr. Mansfield to keep the world at large from falling into jeopardy.

Cowboy Incognito Artist Kinsey Frost agrees to help Zane Doe recover his memory, but neither are prepared for the secrets their road trip will uncover.

Venice Incognito When she is targeted by a vicious mobster A past love is her only hope When a Russian gangster targets Coral Stauffer, she is desperate for help. Coral stumbles across an undercover agent none other than the man she loved and lost, Trevor Stone. Trevor will risk anything to stop her from becoming a mob casualty...even risk his career to protect Coral. But when their past love reignites, their entire mission—and very lives—are at stake.

Princess Incognito: Running Out Of Friends Alex Lynch has spent a lifetime working hard toward the goal of owning the Triple Aces Ranch in Fever, TX. His dream has finally come true when Gina Calhoun—a girl he’d loved all his life, despite her penchant for looking for trouble and his penchant for bailing her out—appears back into his life, seemingly out of nowhere. Network Communications and Systems Analyst Justine Fielding, the former Gina Calhoun, is all grown up, more beautiful than ever and even more restless. Little does Alex know that the woman he’s falling under the spell of all over again is there on a mission to uncover and stop the dangerous men who killed her father-Alex being her chief suspect. This time, Gina may be the only one who can bail him out of the trouble about to come down on him.

Jesus Incognito One wild quickie with a sexy stranger might destroy Rae. She should have gone home when she’d had the chance, but tall, blond, ripped Wulfram von Hannover had proved too much of a temptation for small-town girl Rae Stone. She should have left college and gone home, where they would have shunned her for leaving in the first place. No, she shouldn’t have. Sometimes, love has a way of working out. And it’s going to work out in Paris.
flight of a Jew under the Spanish Inquisition.

Incognito Social Investigation in British Literature Long-time Head of Network Operations, Angelo Pluzetti, has faced danger in every form, to the most extreme degree. He gives his loyalty without question to the primary mission of the Network and to his family of operatives. He’s kept his own heart, emotions and personal needs buried. After countless years, Angelo has never failed and never been captured by an enemy until he’s targeted by R.E.D. and kidnapped. The last thing he expects is the deceptively-frail, Network doctor and the mother of his unborn child, Celine Savage, to be the one to save his life and unbury his heart.

Villa Incognito Preferring anonymity, Murdoch John McSween wrote over 80 letters under the pseudonym “Long Grabs” to the Fayetteville Observer (North Carolina), serving as their unofficial war correspondent. For the first two full years of the war, 1862–1863, he was a sometimes drill master at Camp Mangum, in Raleigh, and a wanderer among the regiments in North Carolina and Virginia. What he wrote was varied—the fighting in eastern North Carolina and at Fredericksburg and Petersburg in Virginia, the conditions of the soldiers, the hardships of the civilians, the history of places he visited, and biographical sketches such as that of Jefferson Davis. In 1863, based on certain promises made by Colonel Matt Ransom, McSween joined the 35th Regiment. A bitter dispute soon developed over those promises with the result that McSween was court-martialed and sentenced to twelve months at hard labor. Released, he joins the 26th Regiment and is twice wounded at the Battle of Petersburg. After the war, he returns to Fayetteville where he edits and publishes The Eagle newspaper.

Enchanted Incognito "Bonus story by Linda Goodnight"—Cover.

Princess Incognito: Trapped After Dark This book is the first full critical history of incognito social investigation texts—in other words, works detailing their authors’ experiences whilst pretending to be poor. The most famous example is Down and Out in Paris and London, but there has been a vast array of other works in the genre since it was created in 1866 by James Greenwood’s ‘A Night in a Workhouse’. It draws up a classification of incognito social investigation texts, dividing them into four subtypes. The first comprises those texts following most narrowly in James Greenwood’s footsteps, taking the extreme poor as their object of study. The next is the investigation of poverty through walking, for pedestrianism and poverty are fascinatingly linked. The third is that of people looking at relative poverty rather than absolute, where authors take on badly-paid work in order to report on it, which is when incognito social investigation becomes very much something carried out by women. We end looking at those incognito social investigators who settled in the areas they explored. Not only will this book recover the history of a genre that has long been ignored, however, but it will also offer significant close reading of many of the texts that it places within the tradition(s) it discovers.

Lights, Camera, Incognito Filled with humor, insight, and faith, this true story tells how one woman overcame challenges, stereotypes, and personal struggles at Harvard Divinity School and emerged an ordained minister. As a bright young girl from Ohio, Andrea Raynor always wanted to be a doctor. Instead, she landed—almost by accident—at Harvard Divinity School, which, she quickly discovered, was no typical seminary. When she attended, in the 1980s, HDS was a place overflowing with creative expression and freedom of thought. Her classmates included two men who were undergoing sex changes and a woman who fancied herself a geisha. There was a lively gay and lesbian caucus, marches on Washington, civil disobedience, and more sexual intrigue than could be found in a stereotypical college fraternity house. Providing a bird’s-eye view of life within the hallowed halls (and beneath the crimson robes), Incognito is a humorous and poignant glimpse inside one of the nation’s most revered institutions. It begins with the long drive from Ohio to Cambridge and ends at the bedside of a dying young woman. But the real story is about the challenges, surprises, and ultimately life-changing experiences Andrea faced on the road to understanding God’s call for her life. From navigating relationships to exploring whether a pretty girl can truly wear a collar, Incognito tackles our assumptions about spirituality, the church, morality, and identity, and affirms that God often works in ways—and in people—we least expect.
