Here Kipling adds to the world's catalogue of inventions since the dawn of time with a few of his own notable examples. Many Inventions brings together a number of Kipling's short stories and includes such works as 'His Private Honour', 'Brugglesmith' and 'The Record Of Badalia Herodsfoot'. Embracing his eternal preoccupations of Anglo-Indian relations and human sufferings, this collection is a fine example of Kipling's entire work.

The military adventures and romantic escapades of a young Roman soldier early in the first century.

Widows of the Great War is the first major account of the experience of women who had to cope with the death of their husbands during the conflict and then rebuild their lives. It explores each stage of their bereavement, from the shock of receiving the news that their husband had been killed, through grief and mourning to the practical issues of compensation and a widow's pension. The way in which the state and society treated the widows during this process is a vital theme running through the book as it reveals in vivid detail how the bureaucracy of war helped and hindered them as they sought to come to terms with their loss. Andrea Hetherington also describes often overlooked aspects of bereavement, and she features many telling first-hand accounts from the widows themselves which show how they saw their situation and how they reacted to it. Her study gives us a fascinating insight into the way in which the armed services and the government regarded war widows during the early years of the twentieth century.

What brings a demon to the gates of heaven? The half-fiend Kaanyr Vhok finally arrives at the destination he has sacrificed so much to achieve—he is in the heart of Celestia with his lover and consort, the succubus Aliisza. Only to find that the House of the Triad is falling apart, and he is bound by a vengeful Aliisza and a renegade angel into trying to save it—not exactly the goal he had in mind. The second full-length novel in The Empyrean Odyssey, The Fractured Sky continues to follow War of
the Spider Queen favorites Aliisza and Kaanyr Vhok as the pair of fiends struggle to escape the heart of a deeply troubled Celestia while bound to a particularly determined angel. Fallen angel Lara Rho is desperate to prove herself a seeker by rescuing the restless sailor Justin Miller. He's no angel, but she is irresistibly drawn to him—and is soon drawn into an adventure of danger and discovery. In 48 B.C., having survived a disastrous campaign in Pythia as part of the Forgotten Legion and spent years fighting their way back to Rome, Romulus and Tarquinius have finally made it as far as Alexandria. On arrival, though, they find themselves in the midst of the Roman Civil War, are press-ganged into Caesar's thinning legions and greatly outnumbered and fighting for their lives against the Egyptian army. Meanwhile in Rome, Romulus' twin sister Fabiola, having caught only a glimpse of her long-missing twin before being forced to flee Egypt for Rome, lives in fear for her life, loved by Brutus, but wooed by Marcus Antonius, his deadly enemy. From the battlefields of Asia Minor and North Africa, to the lawless streets of Rome and the gladiator arena, they all face death and danger daily, until 44 B.C. when their individual roads all lead them to Rome where the future of the republic lies unexpectedly in their hands. The two Carlist wars are probably the least remembered, outside Spain, of the civil conflicts of the country. In the first of these, as in 1936, foreign volunteers fought on both sides, among them the 10,000 men of the British Auxiliary Legion, an arm of Palmerston's foreign policy supporting the liberal Cristino cause and the young Queen Isabella II against her uncle, Don Carlos, pretender to the throne. With the Foreign Enlistment Act suspended in 1835, troops were recruited in Britain and Ireland to fight in a savage struggle. Ill-paid, poorly supplied and inadequately accommodated in appalling weather, the Legion suffered heavy mortality from typhus, yet fought bravely in battle, contributing to an eventual Cristino victory. Ireland played a prominent role in the Legion with four designated Irish regiments and many more men serving in other units. "A gripping blend of history, battles, gore, ancient politics, betrayals, consummate and casual cruelty, and sex. A pleasure for those who like history and great adventure." —Library Journal on The Forgotten Legion Trapped in Parthia by Crassus's failed invasion, ten thousand legionaries are captured and marched to the edge of the known world—these men are the Forgotten Legion. Among them are Romulus, Brennus and Tarquinius, all men with troubled pasts and good reason to hate Rome. Together the trio must face the savage tribes that surround them as well as the more treacherous enemies within the ranks of the legion itself. The three friends' character will be tested to the utter limit as they struggle to find a way back to Rome. Meanwhile, Fabiola, Romulus' twin sister, fights to survive and maintain hope in her brother's survival. Freed by her powerful lover but beset by enemies on all sides, she must travel to Gaul to find her lover, Caesar's right-hand man, where Vercingetorix threatens the life and the lives of all who rally around Caesar. Tolkien meets Shock and Awe Orcs. Trolls. Wraith riders. Dark wizards. Together, they form an unstoppable force. Or so they thought. Dark Army meet the
U.S. Army Rangers. When a Joint Task Force of elite Rangers are transported to a strange and fantastic future where science and evolution have incarnated the evils of myth and legend, they find themselves surrounded, pinned down, and in a desperate fight for their very survival—against nightmares of flesh and blood made real. Which means only one thing. It's time to Ranger Up and stack bodies. The forces of evil have no idea how dangerous a Ranger has been trained to be, and once the action starts, it won't let up in this no-holds-barred, full-auto, epic battle for survival in the Forgotten Ruin. From 'the rising star of historical fiction' (Wilbur Smith) a new Eagles of Rome novel, by the Sunday Times bestselling author of Eagles at War. JUSTICE, HONOUR, REVENGE AD 14: Five long years have passed since the annihilation of three legions in the wilds of Germania. Demoted, battle-scarred and hell-bent on revenge, Centurion Tullus and his legionaries begin their fightback. Ranged against them is the charismatic chieftan Arminius, determined to crush the Romans for a second time. Convinced that the eagle belonging to his old legion is close at hand, Tullus drives ever deeper into enemy lands. But with Arminius and his warriors closing in on the Romans, a murderous battle is about to begin Doc Savage must pursue the X Man, an insane man found wandering the ruins of a crumbling Roman fort and who has escaped from Wyndmoor Asylum, bent on unleashing a cyclone of violence on modern-day New York. Original. ONLY THE GODS CAN SAVE THE ROMANS NOW AD 9, Germania. East of the river Rhine, tribes hostile to Rome prepare a deadly ambush. Their leader is the charismatic chieftain and trusted ally of Rome, Arminius, whose dream is to drive out the brutal invaders of his land. Pitted against him are veteran centurion Lucius Tullus and the Roman provincial governor, Varus. Together with three local legions, they leave their summer camp to begin the march back to the Roman forts on the Rhine. They have no idea that in the forests and bog of the Teutoburg, mud, slaughter and bloody death await. ‘This is historical fiction at its best' Sunday Express 'Held me spellbound to its spectacular bloody end' Manda Scott ‘Gripping, brutal, brilliant' Giles Kristian Taking readers back in time to 1947, an award-winning journalist chronicles an integrated baseball team in Bismarck, North Dakota that rose above a segregated society to become champions, delving into the history of the players, the town and baseball itself. Armed with speakers, turntables, light systems, and records, Filipino American mobile DJ crews, such as Ultimate Creations, Spintronix, and Images, Inc., rocked dance floors throughout the San Francisco Bay Area from the late 1970s through the mid-1990s. In Legions of Boom noted music and pop culture writer and scholar Oliver Wang chronicles this remarkable scene that eventually became the cradle for turntablism. These crews, which were instrumental in helping to create and unify the Bay Area's Filipino American community, gave young men opportunities to assert their masculinity and gain social status. While crews regularly spun records for school dances, weddings, birthdays, or garage parties, the scene’s centerpieces were showcases—or multi-crew
performances—which drew crowds of hundreds, or even thousands. By the mid-1990s the scene was in decline, as single DJs became popular, recruitment to crews fell off, and aspiring scratch DJs branched off into their own scene. As the training ground for a generation of DJs, including DJ Q-Bert, Shortkut, and Mix Master Mike, the mobile scene left an indelible mark on its community that eventually grew to have a global impact. Returning after his long self-imposed exile, Abaddon offers the disparate Chaos Space Marine warbands within the Eye of Terror a simple choice—join him or die. Ezekyle Abaddon and his warlords strive to bind the newborn Black Legion together under threat of destruction. Now Khayon, Abaddon's most-trusted assassin, is tasked with ending the threat of Thagus Daravek, the self-proclaimed Lord of Hosts and a rival to the dark fate that Abaddon claims as his own. Fighting the vile whispers of the Dark Gods within his mind, Abaddon turns a fevered gaze back to the Imperium, where his true destiny awaits. Yet the Emperor's Champion and his Black Templars stand guard at the gates of Hell, and Sigismund has waited centuries to face Abaddon in battle. The injustices of 1940s Jim Crow America are brought to life in this extraordinary blend of military and social history—a story that pays tribute to the valor of an all-black battalion whose crucial contributions at D-Day have gone unrecognized to this day. In the early hours of June 6, 1944, the 320th Barrage Balloon Battalion, a unit of African-American soldiers, landed on the beaches of France. Their orders were to man a curtain of armed balloons meant to deter enemy aircraft. One member of the 320th would be nominated for the Medal of Honor, an award he would never receive. The nation's highest decoration was not given to black soldiers in World War II. Drawing on newly uncovered military records and dozens of original interviews with surviving members of the 320th and their families, Linda Hervieux tells the story of these heroic men charged with an extraordinary mission, whose contributions to one of the most celebrated events in modern history have been overlooked. Members of the 320th—Wilson Monk, a jack-of-all-trades from Atlantic City; Henry Parham, the son of sharecroppers from rural Virginia; William Dabney, an eager 17-year-old from Roanoke, Virginia; Samuel Mattison, a charming romantic from Columbus, Ohio—and thousands of other African Americans were sent abroad to fight for liberties denied them at home. In England and Europe, these soldiers discovered freedom they had not known in a homeland that treated them as second-class citizens—experiences they carried back to America, fueling the budding civil rights movement. In telling the story of the 320th Barrage Balloon Battalion, Hervieux offers a vivid account of the tension between racial politics and national service in wartime America, and a moving narrative of human bravery and perseverance in the face of injustice. The astonishing, never before told story of the greatest rescue mission of World War II—when the OSS set out to recover more than 500 airmen trapped behind enemy lines in Yugoslavia During a bombing campaign over Romanian oil fields, hundreds of American airmen were shot down in Nazi-occupied Yugoslavia. Local Serbian farmers and peasants risked their own lives to give refuge to the soldiers
while they waited for rescue, and in 1944, Operation Halyard was born. The risks were incredible. The starving Americans in Yugoslavia had to construct a landing strip large enough for C-47 cargo planes—without tools, without alerting the Germans, and without endangering the villagers. And the cargo planes had to make it through enemy airspace and back—without getting shot down themselves. Classified for over half a century for political reasons, the full account of this unforgettable story of loyalty, self-sacrifice, and bravery is now being told for the first time ever. The Forgotten 500 is the gripping, behind-the-scenes look at the greatest escape of World War II. “Amazing [and] riveting.”—James Bradley, New York Times bestselling author of Flags of Our Fathers

#1 IN A NEW EPIC FANTASY SERIES from Monster Hunter series creator and New York Times best-selling author, Larry Correia! After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by the seemingly unstoppable beasts, until the gods sent the great hero, Ramrowan, to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since the land has belonged to man and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It was prophesized that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those who were their only hope for survival. As centuries passed the descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, the elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn’t who he thinks he is, and when he finds himself on the wrong side of the law, the consequences lead to rebellion, war, and destruction. At the publisher's request, this title is sold without DRM (Digital Rights Management).

REBEL. LEADER. BROTHER. KING. 1179.

Henry II is King of England, Wales, Ireland, Normandy, Brittany and Aquitaine. The House of Plantagenet reigns supreme. But there is unrest in Henry's house. Not for the first time, his family talks of rebellion. Ferdia – an Irish nobleman taken captive during the conquest of his homeland – saves the life of Richard, the king's son. In reward for his bravery, he is made squire to Richard, who is already a
renowned warrior. Crossing the English Channel, the two are plunged into a campaign to crush rebels in Aquitaine. The bloody battles and gruelling sieges which followed would earn Richard the legendary name of Lionheart. But Richard's older brother, Henry, is infuriated by his sibling's newfound fame. Soon it becomes clear that the biggest threat to Richard's life may not be rebel or French armies, but his own family.'A rip-roaring epic, filled with arrows and spattered with blood. Gird yourself with mail when you start.' Paul Finch 'Ben's deeply authoritative depiction of the time is delivered in a deft manner.' Simon ScarrowA brilliant young Carthaginian general's vengeance-based assault on the Roman victors of the First Punic War enmeshes a distinguished soldier's son and a Roman equestrian's son in a fateful adventure marked by slavery and friendship. 30,000 first printing.In 1937, The Lost Colony, Paul Green's dramatic retelling of the founding and mysterious disappearance of the Roanoke Island colony, opened to standing-room-only audiences and rave reviews. Since then, the beloved outdoor drama has played to more than 3 million people, and it is still going strong. Produced by the Roanoke Island Historical Association at the Waterside Theater near Manteo, North Carolina, The Lost Colony has run for more than sixty summers almost without interruption. (Production was suspended during World War II, when the threat of German submarines prowling the coast made an extended blackout necessary.) The model for modern outdoor theater, The Lost Colony combines song, dance, drama, special effects, and music to breathe life into shadowy legend. This rendering of the play's text, edited and with an introduction by Laurence Avery, brings this pioneering work back into print.Bestselling author Harry Turtledove turns his attention to an epic battle that pits three Roman legions against Teutonic barbarians in a thrilling novel of Ancient Rome: Give Me Back My Legions! Publius Quintilius Varus, a Roman politician, is summoned by the Emperor, Augustus Caesar. Given three legions and sent to the Roman frontier east of the Rhine, his mission is to subdue the barbarous German tribes where others have failed, and bring their land fully under Rome's control. Arminius, a prince of the Cherusci, is playing a deadly game. He serves in the Roman army, gaining Roman citizenship and officer's rank, and learning the arts of war and policy as practiced by the Romans. What he learns is essential for the survival of Germany, for he must unite his people against Rome before they become enslaved by the Empire and lose their way of life forever. An epic battle is brewing, and these two men stand on opposite sides of what will forever be known as The Battle of the Teutoberg Forest—a ferocious, bloody clash that will change the course of history.Set in the late Roman Republic, in the first century B.C.E., The Forgotten Legion is a tale of the greatest empire of the ancient world from the perspective of those on the lowest rungs of its society. Romulus and Fabiola are twins, born into slavery to an enslaved mother who is much beloved by them, and much abused by their owner. At 13 years old, they and their mother are sold: Romulus to gladiator school, Fabiola into prostitution, where she will catch the eye of one of the most powerful men in Rome, and their mother into
obscurity and death in the salt mines. Tarquinius is an Etruscan, a warrior and soothsayer, born enemy of Rome and trained by the last haruspex in the forgotten arts of divination. A runaway slave, then an AWOL Legionnaire, he has a long foretold destiny that will take him to the very ends of the known world. Brennus is a Gaul from the Allobreges tribe. In the battle against the Roman army, his entire family, perhaps his entire tribe, is slaughtered, and only he survives to be sold as a slave to be trained as a gladiator. He rises to become one of the most famous and feared gladiators of his day - and mentor to the boy slave, Romulus, who dreams night and day of escape and of revenge. The lives of these four characters are bound and interwoven in a marvellous story which begins in a Rome riven by corruption, violence and political enmities, but ends far away, where Romulus, Brennus and Tarquinius find themselves fighting against the Parthians and overwhelming odds - survivors of one of the most legendary battles in Roman military history and destined to become part of one of the most compelling, enduring legends: The Forgotten Legion. 'An important and essential work' SATHNAM SANGHERA 'An incredible and important story' MISHAL HUSAIN 'Groundbreaking a riveting and moving account' YASMIN KHAN ‘A fitting recognition of the contribution of Dunkirk’s forgotten soldiers’ ANAS SARWAR On 28 May 1940, in the early days of the Second World War, Major Akbar Khan marched at the head of 299 soldiers along a beach in northern France. They were the only Indians in the British Expeditionary Force at Dunkirk. With Stuka sirens wailing, shells falling in the water and Tommies lining up to be evacuated, these soldiers of the British Indian Army, carrying their disabled imam, found their way to the East Mole and embarked for England in the dead of night. On reaching Dover, they borrowed brass trays and started playing Punjabi folk music, upon which even ‘many British spectators joined in the dance’. What journey had brought these men to Europe? What became of them and their comrades captured by the Germans? With the engaging style of a true storyteller, Ghee Bowman reveals for the first time the astonishing story of the Indian contingent - the Muslim soldiers who fought in the pivotal Battle of Dunkirk - from their arrival in France on 26 December 1939 to their return to an India on the verge of Partition. The Forgotten Legion - fighting for honour, freedom and revenge Romulus and Fabiola are twins, born into slavery after their mother is raped by a drunken nobleman. At thirteen years old they are sold - Romulus to gladiator school, Fabiola into prostitution, where she will catch the eye of one of the most powerful men in Rome. Tarquinius is an Etruscan, a warrior and soothsayer, born enemy of Rome, but doomed to fight for the Republic in the Forgotten Legion. Brennus is a Gaul, his entire family killed by the Romans, and he rises to become one of the most famous and feared gladiators of his day. The lives of these characters are bound and interwoven in an odyssey which begins in a Rome riven by political corruption and violence, but ends far away, at the very border of the known world, where the tattered remnants of a once-huge Roman army - the Forgotten Legion - will fight against overwhelming odds, and the three men will meet their destiny. Bestselling, award-winning author of STIGERS TIGERS, Marc Alan Edelheit, delivers a new action-packed fantasy epic filled with gods and magic. One of history's greatest mysteries, the Ninth Imperial Legion guarding Rome's northernmost frontier in Britannia disappeared around the year 122 AD. This is their story. Badly outnumbered, facing certain destruction, and cut off from supply, the Imperial Roman Ninth Legion Hispana is in a desperate position. Surrounded by the hostile Celtic army, Senior Centurion Lucius Gracchus Lisidus Karus must lead his men to safety after unexpectedly finding himself thrust into command of the legion. Then the unthinkable happens. Karus and the Ninth are transported to a strange place, far away from the Britannia they knew. The legion's deliverance from danger at first appears to be a blessing from the gods, but slowly they begin to uncover the secrets of this new land, a world that is slowly being overrun by a terrible evil. A young woman is discovered in a dungeon, where she has been abandoned and left to starve. Inextricably linked with Karus' own destiny, she may be the key to salvation, or worse, the instrument of destruction for the Ninth. Cast adrift in a terrible war, Karus must find his way through the mysteries of this unfamiliar world, one that is filled with true magic, strange alien races, evil gods, and dragons. More importantly, Karus must discover his destiny, and complete a desperate task set for him by a god of Rome. Should he fail, it will mean certain destruction for the Ninth, the triumph of evil, and the rise of a new order. Lost Legio IX is the first book in this exciting series. 'For these I set no bounds in space or time; but have given empire without end.'—Jupiter, Virgil's Aeneid. The third novel in The Forgotten Legion trilogy takes the main protagonists from North Africa back to Rome in the build-up to the assassination of Julius Caesar. Having survived the perils of a journey across half the world, Romulus and Tarquinius are press-ganged into the legions, which are under imminent threat of annihilation by the Egyptians. Meanwhile in Rome, Romulus' twin sister Fabiola lives in fear for her life, loved by Brutus, but wooed by Marcus Antonius, his deadly enemy. Back in
Egypt, Romulus fights at Zela, the vicious battle where Caesar famously said, 'Veni, vidi, vici'. Tarquinius, separated from Romulus in the chaos of war, hides in Alexandria, searching for guidance. But mortal danger awaits them both. From the battlefields of North Africa and Spain, to the lawless streets of Rome and the gladiator arena, they face death daily, until on the Ides of March, the twins are reunited and must decide either to back or to betray Caesar on his day of destiny.

The French Foreign Legion is an extraordinary and unique army, specifically created for foreign nationals wishing to serve in the French Armed Forces, but commanded by French officers. For nearly two centuries, adventure seekers or men on the run from all around the globe have found a home in the Foreign Legion and shed blood for France. In this book, author Douglas Boyd has been given unrivalled access to the Legion to tell its story from its inception in the 1830s, when it was primarily used to protect and expand the French colonial empire during the nineteenth century, but it has also fought in almost all French wars including the Franco-Prussian War and both World Wars. The Legion is today known as an elite military unit whose training focuses not only on traditional military skills, but also on its strong esprit de corps.

Young Dion Starfire is the ruler of a galaxy that is finally at peace after years of strife and bloodshed. Yet the peace is an uneasy one. Dion has fallen desperately in love with a woman who is not his queen, and suddenly the fragile alliances that rest of his marriage are threatened. Then real violence erupts as an illegitimate son of the dead king, in hiding on a forgotten planet, plots Dion's overthrow. At his command is an army of unseen "ghosts"—alien presences that can roam the galaxy and kill at will. Dion must turn to an old mentor and enemy, Derek Sagan, as the one man who can help him battle the bastard prince and his dark minions. And at Derek's side hovers the powerful, shadowy presence of his lost love, Lady Maigrey. If Dion can only win their aid, he may have one last chance to preserve his throne—and peace for the galaxy.
